

A Message from Di-No Computers, Inc. Regarding Coronavirus

Due to the current outbreak of the novel virus COVID-19, Di-No Computers cares about your health and safety and wants to do everything possible to assist you in a safe manner. We are immediately implementing the following procedures.

IN-STORE

- We will routinely clean all frequently touched surfaces and display models; based on CDC recommendations
- Employees will wash and/or disinfect their hands between each customer encounter
- Customers are requested to remove their devices from any bag, sleeve or covers
- Each device will be sanitized with disinfectant wipes and UV light

AT HOME

- We'll come to your home or office to pick up your device for repair
- We'll arrange to deliver newly purchased merchandise
- Simply **call us at 626.795.6674** to schedule a pick-up or delivery

We understand how important it is to have a functioning phone and computer especially in the event of quarantine. We will do everything possible to safely assist you with service and sales.
